TODAY'S DATE \_\_\_\_\_

NAME (PLEASE PRINT) \_\_\_\_\_

STUDENT I.D. \_\_\_\_\_ EMAIL ADDRESS \_\_\_\_\_

CURRENT STATUS (CIRCLE ONE):    freshman    sophomore    junior    senior  
other (please specify)

Please list below all mathematics courses you have taken at UCCS, by number and/or name, with the instructors and the grades that you received.

COURSE	INSTRUCTOR	GRADE
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

You must complete both pages of this form

Please write a paragraph explaining why you would like to follow the honors track in mathematics, and what you hope to gain by doing so.

Is there any other information that you would like to provide that may be relevant to your application?

---

\*A complete application consists of this form (both sides) and a letter of recommendation from a faculty in the Math Department. Students should normally apply no later than the beginning of their first semester of their junior year.

\*\* Requirements for graduating with Departmental Honors in Mathematics:

- Maintain an overall GPA of at least 3.0, and a GPA of at least 3.5 in mathematics courses.
- Complete at least five 3 credit-hour mathematics courses numbered higher than 4000, with a GPA of least 3.3 in these courses.
- Complete an undergraduate research project under the supervision of a mathematics faculty advisor. A written report based on the project must be submitted for approval to the Undergraduate Committee of the Mathematics Department.
- Present the results of the above research project at a conference or a seminar.
